

SOHAIL ALAM

BCA Graduate | Software Testing & Web Development Fresher

9310****28 | Ghaziabad, Uttar Pradesh, India | Age: 22

PROFESSIONAL SUMMARY

BCA graduate with a strong interest in Software Testing, Web Development, and Programming. Familiar with C, C++, Python, and basic Java, along with hands-on experience building web projects using HTML and CSS. A motivated quick learner interested in identifying software issues, improving user experience, and developing practical IT skills through real-world projects.

EDUCATION

Bachelor of Computer Applications (BCA) — IAMR Institute, Ghaziabad

Studied computer applications, programming fundamentals, web technologies, and software-related concepts.

School Education — Spring Field Convent School

TECHNICAL SKILLS

Programming	C, C++, Python, Basic Java
Web Technologies	HTML5, CSS3, Basic JavaScript, Responsive Web Design fundamentals
Tools	Visual Studio Code, Command Prompt, Browser Developer Tools
Testing Interests	Manual Testing, Test Cases, Bug Identification, Functional Testing, UI Testing, Web Application Testing

PROJECTS

Flipkart Clone — Web Development Project

- Created a Flipkart-inspired e-commerce website using HTML and CSS.
- Designed navigation, product sections, product cards, spacing, hover effects, and an e-commerce-style layout.
- Worked on responsive design fundamentals and planned JavaScript-based functionality.

Personal Anime-Themed Portfolio Website

- Building a personal portfolio using HTML and CSS with an anime-inspired visual theme.
- Implemented navigation, animated/dynamic CSS styling, hover effects, and Font Awesome icons.
- Planning JavaScript functionality for future interactive features.

Programming Practice Projects

- C programming exercises and logic-building programs.
- Student Management System concepts, typing-test application concepts, and basic Python programs.
- Practice with debugging, problem solving, and understanding program flow.

CAREER OBJECTIVE

To begin my career in the IT industry in an entry-level role where I can apply my programming and web development knowledge, build practical software testing skills, contribute to real-world projects, and continuously grow as an IT professional.

STRENGTHS

- Quick learner and willing to learn new technologies.
- Problem-solving and logical-thinking mindset.
- Patient with debugging and troubleshooting.
- Interested in continuous technical improvement.
